This responds to a letter submitted on your behalf dated March 15, 1999, requesting an extension of time to elect to treat  $\underline{X}$  as an association taxable as a corporation under the Internal Revenue Code.

## FACTS

 $\underline{X}$  is an entity that is eligible to elect to be taxed as a corporation.  $\underline{X}$  intended to file an election effective of Date 1, but the election was not timely filed with the appropriate ice center.

### LAW AND ANALYSIS

Section 301.7701-3(a) provides guidance on the classification of business entities for federal tax purposes. Generally, an eligible entity with two or more members can elect to be classified as an association and thus a corporation under § 301.7701-2(b)(2) or as a partnership. Section 301.7701-3(b) provides that, unless the entity elects otherwise, a domestic eligible entity with two or more members is a partnership. Section 301.7701-3(c) provides that an entity classification election must be filed on Form 8832 and can be effective up to 75 days prior to the date the form is filed or up to 12 months after the date on which the form is filed.

Under § 301.9100-1(c), the Commissioner may grant a reasonable extension of time to make a regulatory election, or a statutory election (but no more than six months except in the case of a taxpayer who is abroad), under all subtitles of the Code, except subtitles E, G, H, and I. Section 301.9100-1(b) defines the term "regulatory election" as including an election whose deadline is prescribed by a regulation published in the Internal Revenue Bulletin.

Sections 301.9100-1 through 301.9100-3 provide the standards the Commissioner will use to determine whether to grant an extension of time to make an election. Section 301.9100-1(a).

Section 301.9100-2 provides an automatic extension of time for making certain elections. Section 301.9100-3 provides extensions of time for making elections that do not meet the requirements of § 301.9100-2.

Requests for relief under § 301.9100-3 will be granted when the taxpayer provides evidence to establish that the taxpayer acted reasonably and in good faith, and that granting relief will not prejudice the interests of the Government. Section 301.9100-3(a).

#### CONCLUSION

In the present situation, the requirements of §§ 301.9100-1 and 301.9100-3 have been satisfied. As a result, an extension of time is granted, until 60 days following the date of this letter, to elect that  $\underline{X}$  be treated as an association taxable as a corporation for federal tax purposes effective Date 1. The election should be made by following the procedure for filing Form 8832. A copy of this letter should be attached to the election.

Except as specifically set forth above, no opinion is expressed or implied as to the federal income tax consequences of the transactions described above under any other provision of the code.
