General Instructions

Purpose of Form.—Form 952 is used to extend the period of assessment of all income taxes of the receiving corporation on the complete liquidation of a subsidiary under section 332. Form 952 must be used if the liquidation will be completed within the 3-year period following the end of the subsidiary's tax year that the first distribution was made.

Address.—Include the suite, room, or other unit number after the street address. If the Post Office does not deliver mail to the street address and the corporation has a P.O. box, show the box number instead of the street address.

When and Where To File.—File Form 952 by the due date (including extensions) of the receiving corporation's income tax return for each tax year or part of a tax year that falls within the liquidation period. File the form with the District Director for the IRS district where the receiving corporation's principal place of business is located.

Suspension of Period To Assess Income Tax.—This consent establishes an extended period for assessing tax. The expiration of the extended period may be suspended or otherwise affected by the operation of law in the same manner as the original period. For example, if a notice of deficiency in tax covered by this consent is issued, the period for assessing tax will not end prior to the end of the suspension period provided for by section 6503(a), plus any time that remained in the assessment period, as extended, at the time the suspension took effect. Under no circumstances will this consent reduce the period of time otherwise provided by law for making an assessment.

Recognition of Gain or Loss.—Gain or loss on complete liquidation of a subsidiary is generally not recognized when the assets of the subsidiary are distributed. However, gain or loss will be recognized if the distribution is not completed within the 3-year period or if the receiving corporation can no longer meet the requirements of section 1504(a)(2).

Signature.—Form 952 must be signed and dated by a corporate officer authorized to sign Form 952. If Form 952 is signed by an attorney or an agent of the receiving corporation, attach a copy of the authorization.

Affiliated groups filing a consolidated income tax return should see Regulations section 1.1502-77 and Temporary Regulations section 1.1502-77T for rules about a receiving corporation signing as an agent for subsidiaries and alternative agents for affiliated groups.
