Instead, see **Where To File** below.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

Under section 338, a corporation making a qualified stock purchase can elect to treat the corporation whose stock is being purchased (target corporation) as having sold all of its assets on the acquisition date at fair market value. The target corporation is then treated as a new corporation that had purchased the assets on the day after the acquisition date. If the election is made, the target corporation must also recognize gain or loss on the deemed sale of its assets.

The purchasing corporation (and the selling group, if a joint election is made under section 338(h)(10)) files Form 8023 to make this election or other elections (including subelections) under section 338 and the related regulations.

When To File

Generally, Form 8023 must be filed by the 15th day of the 9th month after the month in which the acquisition date occurs. See the regulations for the filing date for certain foreign purchasing corporations and for certain classes of target corporations (including foreign targets).

Where To File

File Form 8023 with the District Director (Attention: Chief of Examination) for the Internal Revenue district where the principal place of business or the principal office or agency of the purchasing corporation is located. If the qualified stock purchase is made by two or more corporations that are members of the same affiliated group, Form 8023 must be filed with the District Director of the Internal Revenue district for each purchasing corporation. Foreign purchasing corporations that do not file U.S. income tax returns must file Form 8023 with the Office of the Assistant Commissioner (International), Attention: Chief of Examination, 950 L'Enfant Plaza South, S.W., Washington, DC 20024

Definitions

Acquisition Date.—The acquisition date is the first day on which a qualified stock purchase has occurred.

Qualified Stock Purchase.—A qualified stock purchase is the purchase of at least 80% of the total voting power and value of the stock of a corporation by another corporation during a 12-month acquisition period. Preferred stock (as described in section 1504(a)(4)) is not included when determining voting power or value. See section 338(h)(1) for the definition of "12-month acquisition period."

Specific Instructions

Part I—Identification of Corporate Entities

Section A—Purchasing Corporation

Complete all the information requested in this section for the corporation that makes the qualified stock purchase (or the members of the same affiliated group that make the qualified stock purchase). Attach a separate schedule if necessary. An employer identification number (EIN) is not required if the purchasing corporation does not have, and is not otherwise required to have, an EIN.

Line 1c.—Enter the month in which the tax year of the purchasing corporation ends.

Line 1e.—Enter the IRS Service Center where the return was filed for the period preceding the acquisition date.

Section B—Original Target Corporation

Note: If a foreign target corporation is involved in an express election, the purchasing corporation must send written notice of the election to U.S. shareholders that hold stock in the foreign target. See Temporary Regulations section 1.338-1T(k)(7).

Line 2c.—Enter the month in which the tax year of the original target corporation ends or ended, without regard to the qualified stock purchase.

Line 2d.—Enter the book value of the assets of the original target corporation as of the acquisition date. Do not reduce the value by the amount of any liabilities assumed.

Line 2e.—Enter the IRS Service Center where the return was filed for the period preceding the acquisition date.

Section C—Common Parent of the Selling Group

Line 3c.—Enter the month in which the tax year of the common parent of the selling group ends. Line 3d.—Enter the date and the IRS Service Center where the selling group filed its consolidated return for the tax period which includes the acquisition date or for the last tax period for which a tax return was filed.

A separate Form 8023 need not be filed for corporations subject to this election by reason of section 338(f)(1) (affected target). If any corporation is an affected target as of the day Form 8023 is filed, a schedule must be attached to Form 8023 listing the name, address, and EIN of each such subject corporation.

Part III—Elections

Note: The express election under section 338(g) and the protective carryover election are mutually exclusive.

Rev. Proc. 92-85, 1992-42 I.R.B. 32, grants a purchasing corporation an automatic 12-month extension of time to make either the protective carryover basis election (election 1) or the offset prohibition election (election 2) if the corporation makes the election on Form 8023 filed within 12 months of the original deadline for making these

elections. When making an election under this revenue procedure, please type or print across the top of Form 8023 "FILED PURSUANT TO REV. PROC. 92-85." For more information about the automatic 12-month extension of time for making these elections, see Rev. Proc. 92-85.

Attachments to Form 8023

See Temporary Regulations section 1.338-1T for the "required data" that must be submitted with Form 8023 when an express election under section 338(g) is made. Other elections and subelections require additional data and materials that differ from the "required data" for express elections. Failure to timely provide the additional data and materials required by the regulations may result in the imposition of penalties.

Attach a copy of the completed Form 8023 to the final return of the target corporation and to the first return of the new corporation. These requirements apply to the returns of the target for which the election is expressly made as well as to the returns of affected targets. For a special rule for a foreign target corporation not subject to U.S. tax, see the regulations.

Special Rule for Elections Made by U.S. Shareholders of Certain Controlled Foreign Purchasing Corporations

U.S. shareholders of certain controlled foreign purchasing corporations may make the section 338 express election for the corporation. To do so, they must complete Form 8023 and attach a statement to the form showing the name, address, identifying number, and stock interest of each U.S. shareholder. Do not sign Form 8023. Instead, refer to the attached statement, which must be jointly signed by each U.S. shareholder. When signing the statement, each U.S. shareholder must state under penalties of perjury that the stock interest for that shareholder specified in the statement is correct. As an alternative to a jointly signed statement, the shareholder signatures may be contained in separate statements attached to Form 8023. If a U.S. shareholder is not an individual or has delegated authority to sign the statement, the person signing must state under penalties of perjury that he or she is authorized to sign the statement for the U.S. shareholder. Each U.S. shareholder making the election must attach a copy of Form 8023 and its required attachments to Form 5471, Information Return of U.S. Persons With Respect To Certain Foreign Corporations, and file them for the foreign purchasing corporation's tax year that includes the acquisition date.

Signatures

If the qualified stock purchase is made by two or more corporations that are members of the same affiliated group, Form 8023 must be signed by a person authorized to act on behalf of each corporation. To do this, provide the signatures, dates, and titles of those persons in a "signature attachment" to Form 8023 under a heading containing the two sentences printed immediately above the signature line on the form. In this case, write "signature attachment" on the signature line on Form 8023.

If the purchasing corporation is included in a consolidated return for the tax year in which the Form 8023 is filed, see Regulations section 1.1502-77.
