## Instructions for Debtor

If a Federal Government agency, financial institution, or credit union cancels or forgives a debt you owe of \$600 or more, this form must be provided to you. Generally, if you are an individual, you must include the canceled amount on the "Other income" line of Form 1040. If you are a corporation, partnership, or other entity, report the canceled debt on your tax return. See the instructions for your tax return.

However, some canceled debts, such as certain student loans (see Pub. 525), certain debts reduced by the seller after purchase (see Pub. 334), qualified farm debt (see Pub. 225), qualified real property business debt (see Pub. 334), or debts canceled in bankruptcy (see Pub. 908), are not includible in your income. Do not report a canceled debt as income if you did not deduct it but would have been able to do so on your tax return if you had paid it. Also, do not include canceled debts in your income to the extent you were insolvent. If you exclude a canceled debt from your income because it was canceled in a bankruptcy case or during insolvency, or because the debt is qualified farm debt or qualified real property business debt, file **Form 982**, Reduction of Tax Attributes Due to Discharge of Indebtedness (and Section 1082 Basis Adjustment).

**Box 1.** Shows the date the debt was canceled.

**Box 2.** Shows the amount of debt canceled.

**Box 3.** Shows interest if included in the canceled debt in box 2. See **Pub. 525**, Taxable and Nontaxable Income.

**Box 5.** Shows a description of the debt. If box 7 is completed, also shows a description of the property.

**Box 6.** If the box is marked, the creditor has indicated the debt was canceled in a bankruptcy proceeding.

**Box 7.** If, in the same calendar year, a foreclosure or abandonment of property occurred in connection with the cancellation of the debt, the fair market value of the property will be shown, or you will receive a separate **Form 1099-A**, Acquisition or Abandonment of Secured Property. You may have income or loss because of the acquisition or abandonment. See **Pub. 544**, Sales and Other Dispositions of Assets, for information about foreclosures and abandonments.
