**A Change To Note**

The former Part I, *Special Loss Discount Account*, has been split into two parts: Part I, *Special Loss Discount Amount*, and Part II, *Special Loss Discount Account*. The former Part II, *Special Estimated Tax Payments*, is now Part III and the former Part III, *Tax Benefit Associated with the Additional Deduction under Section 847*, has been deleted and replaced with instructions.

**General Instructions**

*Section references are to the Internal Revenue Code.*

**Purpose of form.** Form 8816 must be filed by insurance companies that elect to take an additional deduction under section 847.

**Consolidated Return.** Each member of a consolidated group claiming a section 847 deduction must file a separate Form 8816. Do not combine several taxpayers on one Form 8816. If a consolidated return is filed on Form 1120 and one or

more members of the group is claiming a section 847 deduction, **PLEASE** type or write in **"FORM 8816"** next to line 32 on Form 1120. This will assist the Service Centers in properly accounting for your Special Estimated Tax Payments.

**When to file.** Attach Form 8816 to the Form 1120-PC, Form 1120-L, or Form 1120 filed for the tax year of the additional deduction and for each subsequent tax year that has a remaining amount of unpaid losses resulting from the deduction.

## Specific Instructions

**Note:** Line references are to the 2000 Form 1120-L, 2000 Form 1120 PC, and 2000 Form 1120.

### Part I. Special Loss Discount Amount

**Accident year.** Enter the four digit accident year in the space provided at the top of each column. For example, enter accident year 1999 as 1999.

**Line 1.** Enter the undiscounted unpaid losses (as defined in section 846(b)) for each accident year, measured as of the end of the tax year, related to losses incurred in tax years beginning after December 31, 1986.

**Line 2.** Enter the related discounted unpaid losses determined under section 846.

### Part II. Special Loss Discount Account (SLDA)

Keep a separate SLDA for each accident year an additional deduction under section 847 is claimed. Do not net amounts from one year against amounts from another year.

**Line 4.** Enter the balance in the SLDA at the beginning of the year for which this return is filed.

**Line 5.** The amount entered on line 5 may not exceed the amount on line 3. The total of the amount(s) reported on line 5 must be the same amount as on Form 1120-PC, Schedule A, line 27, or Form 1120-L, page 1, line 17. For purposes of Form 1120, this amount is included in line 26, page 1, Form 1120. Generally, additions are only made in the initial year of a specific loss year's account.

**Line 6.** Enter on this line and on Form 1120-PC, Schedule A, line 12, Form 1120-L, page 1, line 6, or Form 1120, page 1, line 10 amounts that are required to be removed from the SLDA and included in income. See section 847(5) for details.

**Line 7.** The amount entered on this line may not exceed the amount on line 3.

### Part III. Special Estimated Tax Payments (SETP)

Use Part III to reconcile the corporation's SETP's for each tax year it has made a section 847 election.

Section 847(8) (tax benefit determination) requires that if a taxpayer carries back net operating losses or capital losses that arise in years after a year in which a section 847 deduction was claimed, the taxpayer must recompute the tax benefit attributable to the previously claimed section 847 deduction taking into account the loss carrybacks. Tax benefits also include those derived from filing a consolidated return with another insurance company (without regard to section 1503(c)).

Therefore, if this recomputation changes the amount of the section 847 tax benefit, the taxpayer must provide a computation schedule and attach it to Form 8816.

**Line 8.** The amount entered on this line should be the same as the ending balance for this account for the year immediately preceding this year. If the amounts are different, attach an explanation.

**Line 9.** Enter the total payments made for this accident year. The amount entered on this line for the current accident year must agree with the figures shown on Form 1120-PC, page 1, line 14d, or Form 1120-L, page 1, line 29d. For purposes of Form 1120, this amount is included in line 32b, page 1, Form 1120.

Generally, payments are only made in the initial year an account is established. If amounts are added in subsequent years, attach an explanation.

**Line 10.** Enter the amount of SETP's made in a prior year that are treated as having been made for the current year (which allows a current deduction under section 847). In effect, the amount on line 10 will be treated as having been transferred from one accident year to another accident year. This line is intended to assure the proper accounting of SETP and to avoid the unnecessary exchange of monies between taxpayers and the IRS.

**Example:** Assume for calendar year 2000, a taxpayer has \$1 million in taxable income without regard to section 847 and has made estimated tax payments sufficient to satisfy its liability. For prior accident year X, the taxpayer took a section 847 deduction and paid a SETP.

- In year 2000, a portion of that prior accident year's discount reverses (\$50,000), and \$50,000 is includible in income (Part II, line 6) and results in an

increased tax liability of \$17,000. Also in year 2000, the taxpayer takes a section 847 deduction of \$50,000 for accident year 2000 requiring a SETP of \$17,000.

- Instead of actually making a SETP of \$17,000 for year 2000, the taxpayer can enter \$17,000 on line 10 for accident year 2000 and transfer that amount from the balance of SETP for accident year X to accident year 2000. The taxpayer must also include \$17,000 on Part III, line 11 for accident year X.

**Line 11.** Enter the total payments applied to pay additional tax due as a result of including in income amounts required by section 847(5). The total of the amount(s) on line 11 must agree with the amount on Form 1120-PC, page 1, line 14b, or Form 1120-L, page 1, line 29b. For purposes of Form 1120, this amount is included in line 32b, page 1, Form 1120.

**Paperwork Reduction Act Notice.** We ask for the information on this form to carry out the Internal Revenue laws of the United States. You are required to give us the information. We need it to ensure that you are complying with these laws and to allow us to figure and collect the right amount of tax.
