### **Distribution of Property**

A corporation must recognize gain or loss on the distribution of its assets in the complete liquidation of its stock. For purposes of determining gain or loss, the distributed assets are valued at fair market value. Exceptions to this rule apply to a liquidation of a subsidiary and to a distribution that is made according to a plan of reorganization.

#### **Address**

Include the suite, room, or other unit number after the street address. If mail is not delivered to the street address and the corporation has a P.O. box, enter the box number instead of the street address.

#### Line 10

Identify the code section under which the corporation is to be dissolved or liquidated. For example, enter "section 331" for a complete or partial liquidation of a corporation or enter "section 332" for a complete liquidation of a subsidiary corporation that meets the requirements of section 332(b).

#### **Signature**

The return must be signed and dated by the president, vice president, treasurer, assistant treasurer, chief accounting officer, or any other corporate officer (such as tax officer) authorized to sign. A receiver, trustee, or assignee must sign and date any return required to be filed on behalf of a corporation.
