Guides on IRS e-file for Business and Electronic Federal Tax Payment System (EFTPS)

e-file for Business

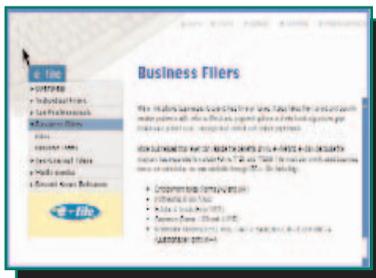

Web Services - www.irs.gov/efile

www.aboutefile.com and click on MY BUSINESS

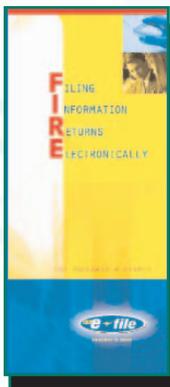

Visit www.aboutefile.com to answer your basic needs about e-filing for business. IRS e-file is available to more businesses than ever. When you use e-file, you're less likely to have problems – but if problems do occur, they're easier to solve. Using e-file lets you spend less time on your taxes - and more time focused on your business.

www.irs-e-file.info/ and click on BUSINESS FILER INFO

Over 7 million business returns were filed this year. More businesses than ever can realize the benefits of IRS e-file and e-pay as the program now includes corporate returns and 96 of the most commonly related forms and schedules. Visit www.irs-e-file.info/ to get questions answered.

Guides on IRS e-file for Business

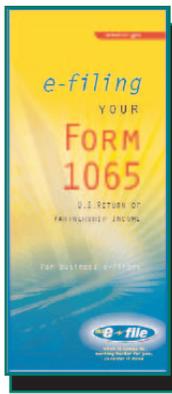

[The Filing Information Returns Electronically System \(FIRE\)](http://www.irs.gov/pub/irs-soi/0330/bk3609.pdf)

Publication 3609, Catalog Number 29789A

A quick reference guide for business filers who are responsible for filing information returns. So if you file Forms 1042-S, 1098, 1099, 5498, 8027, W-2G and QWF (Questionable Forms W-4) this system is for you.

Take the pain out of preparing all of those paper 1099s. A NEW easy web-based system. It's paperless, secure, safe and accurate. Don't miss this opportunity to use this exciting new program. Go to <http://fire.irs.gov>.
