### Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

## **Purpose of Form**

A cooperative may use this form to apply for exemption (under section 6044(c)) from filing Form 1099-PATR, Taxable Distributions Received From Cooperatives. Form 1099-PATR is used to report patronage distributions of \$10 or more to a recipient during the calendar year. The IRS will return this application to you showing whether the application has or has not been approved.

#### Who Must File

To qualify for the exemption, Regulations section 1.6044-4(a)(2) requires that 85% of the cooperative's gross receipts for the preceding tax year, or 85% of its total gross receipts for the preceding 3 tax years, must have been from retail sales of goods or services that are generally for personal, living, or family use (qualifying retail sales).

# **Period of Exemption**

The period of exemption begins with the date the first payment is made during the calendar year in which exemption is approved. It ends on the date the first payment is made after the end of the cooperative's first tax year in which less than 70% of the gross receipts is from qualifying retail sales (see Regulations section 1.6044-4(a)(3)).
