General Instructions

The specific instructions for Schedules B. D, K, K-1, M-1, and M-2 are not included in these instructions. If you are required to complete these schedules for Form 8865, use the instructions for the corresponding schedules of Form 1065 (or Form 1065-B if the foreign partnership is an electing large partnership). See the general instructions for these schedules, on pages 6 and 7, for more information.

If you are completing Then use the Form 8865 instructions for Forms 1065/1065-B: Schedule B Form 1065, Page 1/ Parts I and II of Form 1065-B Schedule D Schedule D Schedules K and K-1 Schedules K and K-1 Schedule L Schedule L Schedule M-1 Schedule M-1 Schedule M-2 Schedule M-2

Purpose of Form

Use Form 8865 to report the information required under section 6038 (reporting with respect to controlled foreign partnerships), section 6038B (reporting of transfers to foreign partnerships), or section 6046A (reporting of acquisitions, dispositions, and changes in foreign partnership interests).

Who Must File

A U.S. person qualifying under one or more of the Categories of Filers (see below) must complete and file Form 8865. These instructions and the Filing

Requirements for Categories of Filers chart below explain the information, statements, and schedules required for each category of filer. If you qualify under more than one category for a particular foreign partnership, you must submit all the items required for each category under which you qualify.

Example. If you qualify as a Category 2 and a Category 3 filer, you must submit all the schedules required of Category 2 filers (page 1 of Form 8865, Schedules A, A-2, N, and K-1) plus any additional schedules that Category 3 filers are required to submit (Schedules A-1 and

Complete a separate Form 8865 and the applicable schedules for each foreign partnership.

File the 2007 Form 8865 with your income tax return for your tax year beginning in 2007.

Categories of Filers

Category 1 filer. A Category 1 filer is a U.S. person who controlled the foreign partnership at any time during the partnership's tax year. Control of a partnership is ownership of more than a 50% interest in the partnership. See the definition of 50% interest on page 3. There may be more than one Category 1 filer for a partnership for a particular partnership tax year.

Category 2 filer. A Category 2 filer is a U.S. person who at any time during the tax year of the foreign partnership owned a 10% or greater interest in the partnership while the partnership was controlled by U.S. persons each owning at least 10% interests. However, if the foreign partnership had a Category 1 filer at any time during that tax year, no person will be considered a Category 2 filer. See the definition of a 10% interest on page 3.

Category 3 filer. A Category 3 filer is a U.S. person who contributed property during that person's tax year to a foreign partnership in exchange for an interest in the partnership (a section 721 transfer), if that person either:

- 1. Owned directly or constructively at least a 10% interest in the foreign partnership immediately after the contribution, or
- 2. The value of the property contributed (when added to the value of any other property contributed to the partnership by such person, or any related person, during the 12-month

period ending on the date of transfer) exceeds \$100,000.

If a domestic partnership contributes property to a foreign partnership, the domestic partnership's partners are considered to have transferred a proportionate share of the contributed property to the foreign partnership. However, if the domestic partnership files Form 8865 and properly reports all the required information with respect to the contribution, its partners will not be required to report the transfer.

Category 3 also includes a U.S. person that previously transferred appreciated property to the partnership and was required to report that transfer under section 6038B, if the foreign partnership disposed of such property while the U.S. person remained a direct or indirect partner in the partnership.

Category 4 filer. A Category 4 filer is a U.S. person that had a reportable event under section 6046A during that person's tax year. There are three categories of reportable events under section 6046A: acquisitions, dispositions, and changes in proportional interests.

Acquisitions. A U.S. person that acquires a foreign partnership interest has a reportable event if:

- The person did not own a 10% or greater direct interest in the partnership and as a result of the acquisition, the person owns a 10% or greater direct interest in the partnership (for example, from 9% to 10%). For purposes of this rule, an acquisition includes an increase in a person's direct proportional interest (see definition of change in proportional interest on page 4); or
- Compared to the person's direct interest when the person last had a reportable event, after the acquisition the person's direct interest has increased by

at least a 10% interest (for example, from 11% to 21%).

Dispositions. A U.S. person that disposes of a foreign partnership interest has a reportable event if:

- The person owned a 10% or greater direct interest in the partnership before the disposition and as a result of the disposition the person owns less than a 10% direct interest (for example, from 10% to 8%). For purposes of this rule, a disposition includes a decrease in a person's direct proportional interest; or
- Compared to the person's direct interest when the person last had a reportable event, after the disposition the person's direct interest has decreased by at least a 10% interest (for example, from 21% to 11%).

Changes in proportional interests. A U.S. person has a reportable event if compared to the person's direct proportional interest the last time the person had a reportable event, the person's direct proportional interest has increased or decreased by at least the equivalent of a 10% interest in the partnership.

Special rule for a partnership interest owned on December 31, 1999. If the U.S. person owned at least a 10% direct interest in the foreign partnership on December 31, 1999, then comparisons should be made to the person's direct interest on December 31, 1999. Once the person has a reportable event after December 31, 1999, future comparisons should be made by reference to the last reportable event.

Exceptions to Filing

Multiple Category 1 filers. If during the tax year of the partnership more than one U.S. person qualifies as a Category 1 filer, only one of these Category 1 partners is required to file Form 8865. A U.S. person with a controlling interest in

the losses or deductions of the partnership is not permitted to be the filer of Form 8865 if another U.S. person has a controlling interest in capital or profits; only the latter may file the return. The U.S. person that files the Form 8865 must complete Item E on page 1.

The single Form 8865 to be filed must contain all of the information that would be required if each Category 1 filer filed a separate Form 8865. Specifically, a separate Schedule N and Schedule K-1 must be attached to the Form 8865 for each Category 1 filer. Also, Items B, C, and D on page 1 and Schedule A on page 2 of Form 8865 must be completed for each Category 1 filer not filing the form. Attach a separate statement listing this information to the single Form 8865.

A Category 1 filer not filing Form 8865 must attach a statement entitled "Controlled Foreign Partnership Reporting" to that person's income tax return.

The statement must include the following information:

- A statement that the person qualified as a Category 1 filer, but is not submitting Form 8865 under the multiple Category 1 filers exception.
- The name, address, and identifying number (if any) of the foreign partnership of which the person qualified as a Category 1 filer.
- A statement that the filing requirement has been or will be satisfied.
- The name and address of the person filing Form 8865 for this partnership.
- The Internal Revenue Service Center where the Form 8865 must be filed (or indicate "efile" if the Form 8865 has been or will be filed electronically).

A U.S. person who qualifies for this exception to the Category 1 AUTION filing requirement would still have to file a separate Form 8865 if that person is also subject to the filing requirements of Category 3 or 4. This separate Form 8865 would include all the information required for a Category 3 or 4 filer in addition to the Controlled Foreign Partnership Reporting statement.

Constructive owners. See the definition of constructive ownership on this page. A Category 1 or 2 filer that does not own a direct interest in the partnership and that is required to file this form solely because of constructive ownership from a U.S. person(s) is not required to file Form 8865 if:

1. Form 8865 is filed by the U.S. person(s) through which the indirect partner constructively owns an interest in the foreign partnership,

2. The U.S. person through which the indirect partner constructively owns an interest in the foreign partnership is also a constructive owner and meets all the requirements of this constructive ownership filing exception, or

3. Form 8865 is filed for the foreign partnership by another Category 1 filer under the multiple Category 1 filers exception.

To qualify for the constructive ownership filing exception, the indirect partner must file with its income tax return a statement entitled "Controlled Foreign Partnership Reporting."

This statement must contain the following information:

- 1. A statement that the indirect partner was required to file Form 8865, but is not doing so under the constructive owners exception:
- 2. The names and addresses of the U.S. persons whose interests the indirect partner constructively owns; and
- 3. The name and address of the foreign partnership for which the indirect partner would have had to have filed Form 8865, but for this exception.

Members of an affiliated group of corporations filing a consolidated return. If one or more members of an affiliated group of corporations filing a consolidated return qualify as Category 1 or 2 filers for a particular foreign partnership, the common parent corporation may file one Form 8865 on behalf of all of the members of the group required to report. Except for group members who also qualify under the constructive owners exception, the Form 8865 must contain all the information that would have been required to be submitted if each group member filed its own Form 8865.

Exception for certain trusts. Trusts relating to state and local government employee retirement plans are not required to file Form 8865.

Exception for certain Category 4 filers. If you qualify as a Category 3 and 4 filer because you contributed property to a foreign partnership in exchange for a 10% or greater interest in that partnership, you are not required to report this transaction

under both Category 3 and 4 filing requirements. If you properly report the contribution of property under the Category 3 rules, you are not required to report it as a Category 4 filer. However, the acquisition will count as a reportable event to determine if a later change in your partnership interest qualifies as a reportable event under Category 4.

Example. Partner A does not own an interest in FPS, a foreign partnership. Partner A transfers property to FPS in exchange for a 15% direct interest. Partner A qualifies as a Category 3 filer because he transferred property to a foreign partnership and owned at least a 10% interest in FPS immediately after the contribution. Partner A is also a Category 4 filer because he did not own a 10% or greater direct interest in FPS and as a result of the acquisition now owns a 10% or greater direct interest in FPS. If Partner A properly reports the contribution on Form 8865 as a Category 3 filer, Partner A is not required to report his acquisition of the 15% interest in FPS as a Category

Relief for Category 1 and 2 Filers When the Foreign Partnership Files Form 1065 or Form 1065-B

If a foreign partnership files Form 1065, U.S. Return of Partnership Income, or Form 1065-B, U.S. Return of Income for Electing Large Partnerships, for its tax year, Category 1 and 2 filers may use a copy of the completed Form 1065 or 1065-B schedules in place of the equivalent schedules of Form 8865.

If you file Form 8865 with an electronically filed income tax return, see the electronic filing publications identified in the instructions for your income tax return for more information.

See page 1 for the Form 1065/1065-B schedules that are equivalent to the Form 8865 schedules.

Example. Partner A is a Category 1 filer with respect to FPS, a foreign partnership during the 2007 tax year. FPS completes and files a Form 1065 for its 2007 tax year. Instead of completing Schedules B, D, K, L, M-1, M-2, and K-1 of Form 8865, Partner A may attach to its Form 8865 page 1 of Form 1065 and Form 1065 Schedules D, K, L, M-1, M-2, and K-1 (including the Schedules K-1 for Partner A and all other U.S. persons owning 10% or greater direct interests in FPS). Partner A must complete the following items and schedules on Form 8865:

- The first page,
- Schedule A,
- Schedule A-1,
- Schedule A-2,
- Schedule M, and
- Schedule N.

Example. Partner A is a Category 2 filer with respect to FPS, a foreign partnership. If FPS completes and files a Form 1065 for its 2007 tax year, Partner

A may file with Form 8865 the Schedule K-1 (Form 1065) that it receives from the partnership instead of Schedule K-1 (Form 8865). Partner A must complete the following items and schedules on Form 8865:

- The first page,
- Schedule A.
- Schedule A-2, and
- Schedule N.

When To File

Attach Form 8865 to your income tax return (or, if applicable, partnership or exempt organization return) and file both by the due date (including extensions) for that return. If you do not have to file an income tax return, you must file Form 8865 separately with the IRS at the time and place you would be required to file an income tax return (or, if applicable, a partnership or exempt organization return). See below for penalties that may apply if you do not file Form 8865 on time.

Definitions

Partnership. A partnership is the relationship between two or more persons who join to carry on a trade or business, with each person contributing money, property, labor, or skill and each expecting to share in the profits and losses of the business whether or not a formal partnership agreement is made.

The term "partnership" includes a limited partnership, syndicate, group, pool, joint venture, or other unincorporated organization, through or by which any business, financial operation, or venture is carried on, that is not, within the meaning of the regulations under section 7701, a corporation, trust, estate, or sole proprietorship.

A joint undertaking merely to share expenses is not a partnership. Mere co-ownership of property that is maintained and leased or rented is not a partnership. However, if the co-owners provide services to the tenants, a partnership exists.

Foreign partnership. A foreign partnership is a partnership that is not created or organized in the United States or under the law of the United States or of any state.

50% interest. A 50% interest in a partnership is an interest equal to:

- 50% of the capital,
- 50% of the profits, or
- 50% of the deductions or losses. For purposes of determining a 50% interest, the constructive ownership rules described below apply.

10% interest. A 10% interest in a partnership is an interest equal to:

- 10% of the capital.
- 10% of the profits, or
- 10% of the deductions or losses. For purposes of determining a 10% interest, the constructive ownership rules described below apply.

Constructive ownership. For purposes of determining an interest in a partnership, the constructive ownership

rules of section 267(c) (excluding section 267(c)(3)) apply, taking into account that such rules refer to corporations and not to partnerships. Generally, an interest owned directly or indirectly by or for a corporation, partnership, estate, or trust shall be considered as being owned proportionately by its owners, partners or beneficiaries.

Also, an individual is considered to own an interest owned directly or indirectly by or for his or her family. The family of an individual includes only that individual's spouse, brothers, sisters, ancestors, and lineal descendants. An interest will be attributed from a nonresident alien individual under the family attribution rules only if the person to whom the interest is attributed owns a direct or indirect interest in the foreign partnership under section 267(c)(1) or (5).

U.S. person. A U.S. person is a citizen or resident of the United States, a domestic partnership, a domestic corporation, and any estate or trust that is not foreign.

Control of a corporation. Control of a corporation is ownership of stock possessing more than 50% of the total combined voting power, or more than 50% of the total value of shares of all classes of stock of the corporation. For rules concerning indirect ownership and attribution, see Regulations section 1.6038-2(c).

Change in a proportional interest. A partner's proportional interest in a foreign partnership can change as a result of changes in other partners' interests, for example, when another partner withdraws from the partnership. A partner's proportional interest can also change, for example, by operation of the partnership agreement (for example, if the partnership agreement provides that a partner's interest in profits will change on a set date or when the partnership has earned a specified amount of profits, then the partner's proportional interest changes when the set date or specified amount of profits is reached).

Penalties

Failure to timely submit all information required of Category 1 and 2 filers.

- Å \$10,000 penalty is imposed for each tax year of each foreign partnership for failure to furnish the required information within the time prescribed. If the information is not filed within 90 days after the IRS has mailed a notice of the failure to the U.S. person, an additional \$10,000 penalty (per foreign partnership) is charged for each 30-day period, or fraction thereof, during which the failure continues after the 90-day period has expired. The additional penalty is limited to a maximum of \$50,000 for each failure.
- Any person who fails to furnish all of the information required within the time prescribed, will be subject to a reduction of 10% of the foreign taxes available for credit under sections 901, 902, and 960.

If the failure continues 90 days or more after the date the IRS mails notice of the failure, an additional 5% reduction is made for each 3-month period, or fraction thereof, during which the failure continues after the 90-day period has expired. See section 6038(c)(2) for limits on the amount of this penalty.

• Criminal penalties under sections 7203, 7206, and 7207 may apply for failure to file or for filing false or fraudulent information.

Additionally, any person that files under the constructive owners exception may be subject to these penalties if all the requirements of the exception are not met. Any person required to file Form 8865 who does not file under the multiple Category 1 filers exception, may be subject to the above penalties if the other person does not file a correctly completed form and schedules. See *Exceptions to Filing* on page 2.

Failure to file information required of Category 3 filers. Any person that fails to properly report a contribution to a foreign partnership that is required to be reported under section 6038B and the regulations under that section is subject to a penalty equal to 10% of the fair market value (FMV) of the property at the time of the contribution. This penalty is subject to a \$100,000 limit, unless the failure is due to intentional disregard. In addition, the transferor must recognize gain on the contribution as if the contributed property had been sold for its FMV.

Failure to file information required of Category 4 filers. Any person who fails to properly report all the information requested by section 6046A is subject to a \$10,000 penalty. If the failure continues for more than 90 days after the IRS mails notice of the failure, an additional \$10,000 penalty will apply for each 30-day period (or fraction thereof) during which the failure continues after the 90-day period has expired. The additional penalty shall not exceed \$50,000.

Treaty-based return positions. File Form 8833, Treaty-Based Return Position Disclosure Under Section 6114 or 7701(b), to report a return position that a treaty of the United States (such as an income tax treaty, an estate and gift tax treaty, or a friendship, commerce, and navigation treaty):

- Overrides or modifies any provision of the Internal Revenue Code and
- Causes (or potentially causes) a reduction of any tax incurred at any time.

Failure to make such a report may result in a \$1,000 penalty (\$10,000 in the case of a C corporation). See section 6712.

Corrections to Form 8865

If you file a Form 8865 you later determine is incomplete or incorrect, file a corrected Form 8865 with an amended tax return following the instructions for the return with which you originally filed Form

8865. Write "corrected" at the top of the form and attach a statement identifying and explaining the changes.

Specific Instructions

Important: All information must be in English. All amounts must be stated in U.S. dollars.

If the information required in a given section exceeds the space provided within that section, attach separate sheets to provide the remaining information, using the same size and format as the printed forms.

Fill in all applicable lines and schedules. All categories of filers must complete all items on page 1, with three exceptions. Complete Item E only if, in addition to filing the form on your own behalf, you are reporting information about other Category 1 filers under the multiple Category 1 filing exception, or you are reporting information about members of your affiliated group of corporations under the consolidated return exception. Only Category 1 and 2 filers are required to complete Item G6. See Exceptions to Filing on page 2. Answer Items G8 and G9 only if you are a Category 1 filer.

Tax Year

Enter in the space below the title of Form 8865 the tax year of the foreign partnership that ended with or within the tax year of the person filing this form. Category 1 or 2 filers must report information for the tax year of the foreign partnership that ends with or within their tax years. A Category 3 or 4 filer must report on Schedules O or P, respectively, transactions that occurred during that filer's tax year (rather than during the partnership's tax year).

Identifying Numbers and Addresses

Enter the identifying number of the person filing this return. Use an employer identification number (EIN) to identify partnerships, corporations, and estates or trusts. For individuals, use a social security number (SSN) or individual taxpayer identification number (ITIN).

Include the suite, room, or other unit number after the street address. If the Post Office does not deliver mail to the street address and the U.S. person has a P.O. box, show the box number instead.

Foreign address. Enter the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code, if any. Do not abbreviate the country name.

Item A—Category of Filer

Check the box for each category that describes the person filing the form. If more than one category applies, check all boxes that apply. See *Categories of Filers* beginning on page 1.

Item C

Enter the filer's share of nonrecourse liabilities, partnership-level qualified nonrecourse financing, and other liabilities. Nonrecourse liabilities are those liabilities of the partnership for which no partner bears the economic risk of loss. The extent to which a partner bears the economic risk is determined under the rules of Regulations section 1.752-2.

"Qualified nonrecourse financing" generally includes financing:

- For which no one is personally liable for repayment,
- That is borrowed for use in an activity of holding real property, and
- That is borrowed from a qualified person (defined in section 49(a)(1)(D)(iv)) or is lent or guaranteed by a federal, state, or local government.

See section 465(b)(6) for more information on qualified nonrecourse financing.

Item D—Identification of Common Parent

If the person filing the form is a member of a consolidated group, but not the parent, list the name, address, and EIN of the filer's common parent.

Item E

Information about certain partners. If you are reporting information about other persons under the multiple Category 1 filers exception, or are reporting information about members of your affiliated group of corporations under the consolidated return exception (see Exceptions to Filing on page 2), identify each such person in Item E. List their names, addresses, and identifying numbers. Also, indicate whether each person is a Category 1 filer or Category 2 filer, and whether such person constructively owned an interest in the foreign partnership during the tax year of the partnership listed at the top of page 1 of Form 8865. See Constructive ownership on page 3.

Item F1

For the foreign partnership's address, enter the city, province or state, and the foreign country in that order. Follow the foreign country's practice in placing the postal code in the address. Do not abbreviate the country name. If the partnership receives its mail in care of a third party (such as an accountant or attorney), enter "C/O" followed by the third-party's name and street address or P.O. box.

Item F6—Principal Business Activity Code

If the foreign partnership filed Form 1065 or 1065-B. Enter the business code shown in Item C of the Form 1065 or 1065-B filed by the partnership.

If the foreign partnership did not file Form 1065 or 1065-B. Enter the applicable business code from the list beginning on page 10. If the information necessary to apply the total receipts test is not available, pick a principal business activity code using the information you have about the partnership.

Item F8a—Functional Currency

Enter the foreign partnership's functional currency. See sections 985 through 989 and the regulations thereunder. If the partnership had more than one qualified business unit (QBU), attach a statement identifying each QBU, its country of operation, and its functional currency. A QBU is any separate and clearly identified unit of a trade or business of the partnership which maintains separate books and records.

Hyperinflationary exception. A partnership that has a hyperinflationary currency as its functional currency is subject to special rules set forth in Regulations section 1.985-3. Under these rules, a partnership must use the U.S. dollar as its functional currency.

Item F8b—Exchange Rate

When translating functional currency to U.S. dollars, you must use the method specified in sections 985 through 989 and the regulations thereunder. But, regardless of the specific method required, all exchange rates must be reported using a "divide-by convention" rounded to at least 4 places. That is, the exchange rate must be reported in terms of the amount by which the functional currency amount must be divided in order to reflect an equivalent amount of U.S. dollars. As such, the exchange rate must be reported as the units of foreign currency that equal one U.S. dollar, rounded to at least 4 places. Do not report the exchange rate as the number of U.S. dollars that equal one unit of foreign currency.

Note. You must round the result to more than 4 places if failure to do so would materially distort the exchange rate or the equivalent amount of U.S. dollars.

Item G2

If the foreign partnership was required to file Form 1065 or Form 1065-B for the partnership's tax year listed at the top of page 1 (Form 8865), check the applicable box and enter the IRS Service Center where the form was or will be filed (or enter "efile" if the form was or will be filed electronically). Also, check the applicable box(es) if the foreign partnership was required to file Form 8804, Annual Return for Partnership Withholding Tax (Section 1446), or Form 1042, Annual Withholding Tax Return for U.S. Source Income of Foreign Persons (for the calendar year ending with or within the foreign partnership's tax year).

Item G6

Note. Only Category 1 and 2 filers are required to complete Item G6.

Enter the number of Forms 8858, Information Return of U.S. Persons With Respect To Foreign Disregarded Entities, attached to Form 8865. A disregarded entity is an entity that is disregarded as an entity separate from its owner under Regulations section 301.7701-3. The partnership is the tax owner of the foreign disregarded entity if it owns the assets and liabilities of the foreign disregarded entity for purposes of U.S. income tax law.

If the foreign partnership is the tax owner of a foreign disregarded entity and you are a Category 1 or 2 filer of Form 8865, complete and attach Form 8858 to Form 8865. For more information, see the instructions for Form 8858.

Item G8—Separate Units

Paid preparer. Do not sign Form 8865 or complete the paid preparer section at the bottom of the form if Form 8865 is filed as an attachment to an income tax return. Sign Form 8865 and complete the paid preparer section only if Form 8865 is filed separately.

Schedule A—Constructive Ownership of Partnership Interest

All filers must complete Schedule A. Check box a if the person filing the return owns a direct interest in the foreign partnership. Check box b if the person filing the return constructively owns an interest in the foreign partnership. See Constructive ownership on page 3.

See Regulations section 1.6038B-2(i)(4) for the definition of a related person.

Exception. Category 3 filers who only transferred cash and did not own a 10% or greater interest in the transferee partnership after the transfer are not required to complete Schedule A-1.

Schedule A-2—Affiliation Schedule

All filers must complete Schedule A-2. List on Schedule A-2 all partnerships (foreign or domestic) in which the foreign partnership owned a direct interest, or a 10% indirect interest (under the rules of section 267(c)(1) and (5)) during the partnership tax year listed at the top of page 1, Form 8865.

Category 1 filers. Only Category 1 filers must complete the ordinary income or

loss column. In that column, report the foreign partnership's share of ordinary income (even if not received) or loss from partnerships in which the foreign partnership owns a direct interest. The total amount of ordinary income or loss from each partnership must also be included on line 4 of Schedule B.

Schedule B-Income Statement—Trade or **Business Income**

Important: You do not need to complete Schedule B if you have attached a copy of page 1 from Form 1065, or Parts I and II of Form 1065-B, filed by the foreign partnership.

All Category 1 filers must complete Schedule B.

Specific Instructions for Schedule B

For specific instructions for Schedule B. see the Instructions for Form 1065. Use the specific instructions for Page 1 of Form 1065, Income and Deductions. If the foreign partnership files Form 1065-B, use the specific instructions for Parts I and II of Form 1065-B in the Instructions for Form 1065-B.

You can view or download the TIP instructions for Form 1065 or Form 1065-B at www.irs.gov/

formspubs. Also, these instructions can be ordered by calling 1-800-829-3676.

Schedule D—Capital Gains and Losses

Important: You do not need to complete Schedule D if you have attached to Form 8865 a copy of the Schedule D from Form 1065 or Form 1065-B filed by the foreign partnership.

All Category 1 filers must complete Schedule D to report sales or exchanges of capital assets, capital gain distributions, and nonbusiness bad debts.

Specific Instructions for Schedule D

For the specific instructions for Schedule D, see Schedule D (Form 1065), Capital Gains and Losses. Schedule D and its instructions are a separate product for Form 1065. If the foreign partnership files Form 1065-B, use the instructions for Schedule D in the Instructions for Form 1065-B.

You can view or download the instructions for Schedule D (Form 1065) (the instructions are

provided with the schedule) or the Instructions for Form 1065-B at www.irs. gov/formspubs. Also, these instructions can be ordered by calling 1-800-829-3676.

Schedules K and K-1— Partners' Distributive Share Items

Important: You do not need to complete Schedules K or K-1 if you have attached to Form 8865 a copy of the Schedules K or K-1 from Form 1065 or Form 1065-B filed by the foreign partnership.

Schedule K

Schedule K is a summary schedule of all of the partners' shares of the partnership income, credits, deductions, etc. Only Category 1 filers must complete Schedule

Schedule K-1

Schedule K-1 is used to report a specific partner's share of the partnership income, deductions, credits, etc.

All Category 1 and 2 filers must complete Schedule K-1 for any direct interest they hold in the partnership. A Category 1 or 2 filer that does not own a direct interest is not required to complete Schedule K-1.

Category 1 filers must also complete Schedule K-1 for each U.S. person that directly owns a 10% or greater direct interest in the partnership.

Provide the partner's beginning and year-end percentage interest in partnership profits, losses, capital, or deductions. These percentages should include any interest constructively owned by the filer.

Complete boxes 1 through 20 for any direct interest that the partner owns in the partnership.

Example. Partner A owns a 45% direct interest in foreign partnership (FPS). Partner A also owns 100% of the stock of a domestic corporation (DC), which owns a 10% direct interest in FPS. Therefore, Partner A is considered to own a 55% interest in FPS and is thus a Category 1 filer. When Partner A completes Schedule K-1 for itself, Partner A must report the distributive share of items allocated to Partner A's direct interest of 45% but not any items allocated to DC's 10% interest. When Partner A completes Schedule K-1 for DC (which Partner A must do because DC owns a direct 10% interest), Partner A must report on DC's Schedule K-1 only items allocated to DC's direct 10% interest.

Although the partnership is not subject to income tax, the partners are liable for tax on their shares of the partnership income, whether or not distributed, and must include their share of such items on their tax returns.

Allocations of income, gains, losses, deductions, or credits among the partners generally should be made according to the partnership agreement. See section 704 and the regulations thereunder.

General Reporting Instructions for Schedule K-1

On each Schedule K-1, enter the information about the partnership and the partner in Parts I and II of the schedule (Items A through F). For items E and F in Part II of Schedule K-1, see the instructions for the corresponding items J and L of Schedule K-1 (Form 1065) in the instructions for Form 1065 under the heading *Specific Instructions (Schedule K-1 Only)*. In Part III, enter the partner's distributive share of each item of income, deduction, and credit and any other information the partner needs to prepare the partner's tax return.

Codes. In box 11 and boxes 13 through 20, identify each item by entering a code in the column to the left of the dollar amount entry space. These codes are identified on the back of Schedule K-1.

Attached statements. Enter an asterisk (*) after the code, if any, in the column to the left of the dollar amount entry space for each item for which you have attached a statement providing additional information. For those informational items that cannot be reported as a single dollar amount, enter the code and asterisk in the left column and write "STMT" in the dollar amount entry space to indicate the information is provided on an attached statement.

More than one attached statement can be placed on the same sheet of paper and should be identified in alphanumeric order by box number followed by the letter code (if any). For example: "Box 20, Code T—Information Needed to Figure Depletion—Oil and Gas" (followed by the information the partner needs).

Too few entry spaces on Schedule K-1? If there are more coded items than the number of spaces in box 11 or boxes 13 through 20, do not enter a code or dollar amount in the last entry space of the box. In the last entry space, enter an asterisk in the left column and enter "STMT" in the entry space to the right. Report the additional items on an attached statement and provide the box number, the code, description, and dollar amount or information for each additional item. For example: "Box 15, Code H—Work Opportunity Credit—\$1,000."

Specific Instructions for Schedules K and K-1

For the specific instructions for Schedules K and K-1, see the Instructions for Form 1065. If the foreign partnership files Form 1065-B, use the specific instructions for Schedules K and K-1 of Form 1065-B in the Instructions for Form 1065-B.

The balance sheets should agree with the partnership's books and records. Attach a statement explaining any differences.

Only Category 1 filers are required to complete Schedule L.

If you answered "Yes" to Item G9 on page 1 of Form 8865, you do not have to complete Schedule L.

Exception. If the partnership or any qualified business unit of the partnership uses the dollar approximate separate transactions method (DASTM), Schedule L should reflect the tax balance sheets prepared and translated into U.S. dollars according to Regulations section 1.985-3(d).

All Category 1 filers must complete Schedule M. Schedule M should reflect the book values of the partnership's assets, as described in Temporary Regulations sections 1.861-9T(g)(2) and 1.861-12T. Assets should be characterized as U.S. assets or foreign assets in one or more separate limitation categories as provided in Temporary Regulations sections 1.861-9T(g)(3) and 1.861-12T. The balance sheets should be prepared in U.S. dollars under Temporary Regulations section 1.861-9T(g)(2)(ii).

Exception. If the partnership or any qualified business unit of the partnership uses DASTM, Schedule M should reflect the tax balance sheet prepared in U.S. dollars under Regulations section 1.985-3(d). See Temporary Regulations section 1.861-9T(g)(2)(ii)(A)(2) for more information on DASTM.

Line 2. Enter the partnership's foreign assets according to the following income limitation categories:

- Passive category.
- General category.
- Other (attach statement).

See the instructions for line 16 of Schedule K and section 904(d) for more information.

Form 8865 filers are not required to complete Schedule M-3, Net Income

(Loss) Reconciliation for Certain Partnerships.

Codes for Principal Business Activity and Principal Product or Service

This list of Principal Business Activities and their associated codes is designed to classify an enterprise by the type of activity in which it is engaged to facilitate the administration of the Internal Revenue Code. These Principal Business Activity Codes are based on the North American Industry Classification System.

Using the list of activities and codes below, determine from which activity the business derives the largest percentage of its "total receipts." Total receipts is defined as the sum of gross receipts or sales (Schedule B, line 1a); all other income reported on Schedule B, lines 4 through 7; income reported on Schedule K, lines 3a, 5, 6a, and 7; income or net gain reported on Schedule K, lines 8, 9a, 10, and 11; and income or net gain reported on Form 8825, lines 2, 19, and 20a. If the business

purchases raw materials and supplies them to a subcontractor to produce the finished product, but retains title to the product, the business is considered a manufacturer and must use one of the manufacturing codes (311110-339900).

Once the Principal Business Activity is determined, enter the six-digit code from the list below on page 1, Item F6. Also enter a brief description of the business activity in Item F7.
