Information About Economic Stimulus Payments for Social Security, Veterans, and Other Beneficiaries

WHAT?

We are pleased to inform you that the United States Congress passed and President George W. Bush signed into law the Economic Stimulus Act of 2008, which provides for economic stimulus payments to be made to over 130 million American households. The payments will be made starting in May, 2008. But to receive a payment in 2008 you have to file a 2007 tax return.

WHO?

If you do not have to file a 2007 tax return for tax purposes, you still need to file a return in order to receive an economic stimulus payment. You are eligible for a payment if you have a total of \$3,000 or more in qualifying income. Qualifying income is—

- Earned income;
- Social security benefits (including social security disability payments);
- Certain railroad retirement benefits;
- Certain veterans' benefits; and
- Nontaxable combat pay.

If you qualify under this income test, you will receive a payment of \$300 (\$600 if married filing jointly). In addition, you will also receive an additional payment of \$300 for each qualifying child.

Once you have filed a 2007 tax return, you do not have to do anything more to receive your economic stimulus payment. The IRS will determine eligibility, figure the amount, and send you the payment.

HOW?

File a Form 1040A with only a few lines filled in to receive your economic stimulus payment. You may use the enclosed Form 1040A. You may also file electronically for free. Visit www.irs.gov and click on the free file icon.

WHEN?

You should file as soon as possible, but to be sure that you receive your stimulus payment in 2008, you must file Form 1040A with the IRS by October 15, 2008.

DO YOU NEED HELP?

If you need help filling out this form, you can receive assistance by:

- Going to www.irs.gov;
- Calling the IRS hotline at 1-866-234-2942; or
- Visiting one of the following organizations in your area—IRS Taxpayer Assistance Centers, Tax Counseling for the Elderly (TCE) sites, Low Income Taxpayer Clinics (LITC), or local Volunteer Income Tax Assistance (VITA) sites.

Tips for Completing Your Stimulus Return

If you are not required to file a 2007 tax return but want to receive an economic stimulus payment, you should fill out and file the enclosed Form 1040A, or if you have access to the internet, file on-line for free by going to www.irs. gov. You only have to fill in a few lines of information. Take a look at the sample Form 1040A (also enclosed) to see which lines need to be filled in.

Specific instructions for filling out your Form 1040A are as follows.

Top of the Form

Across the top of the form, write the words "Stimulus Payment."

Label

Fill in your name, address, and social security number in the spaces provided. Also, fill in your spouse's name and social security number if you are married.

You are not eligible for an economic stimulus payment if you do not have a valid social security number (SSN). Individual taxpayer identification numbers (ITINs) are not acceptable. To file as "married filing jointly," both spouses must have a valid SSN. If only one spouse has a valid SSN, that spouse should file as "single."

Filing Status

Check only the filing status that applies to you.

Married filing jointly. Check the box on line 2 if any of the following apply.

- You were married at the end of 2007, your spouse cannot be claimed as a dependent on someone else's tax return, and you and your spouse want to file this return jointly.
 - Your spouse died in 2007 and you did not remarry in 2007.
 - You were married at the end of 2007, but your spouse died before today.

Single. Check the box on line 1 if you are not filing as "married filing jointly."

You are not eligible for an economic stimulus payment if you can be claimed as a dependent on someone else's tax return.

Exemptions

Lines 6a and 6b. Check the box on line 6a, "Yourself," unless you can be claimed as a dependent on another person's return. Check the box on line 6b, "Spouse," if you checked the box on line 2 above and your spouse cannot be claimed as a dependent on another person's return. In the box to the right, enter the number of boxes you checked on lines 6a and 6b.

Line 6c. If a child under the age of 17 lived with you for more than half of 2007, you may have a "qualifying child." For more information and assistance in determining whether your child is a qualifying child, call 1-866-234-2942. If you have a qualifying child or children, fill in the child(ren)'s name, social security number, and relationship to you (or your spouse, if applicable) in the spaces provided. Also, remember to check the box in column (4). You should only list qualifying children on line 6c.

A child must have a valid social security number to be a qualifying child. Individual taxpayer identification numbers (ITINs) and adoption taxpayer identification numbers (ATINs) are not acceptable.

Income

Line 7. Enter the total of your wages, salaries, tips, etc. that you received in 2007. For most people, the amount to enter on this line (if any) should be shown in box 1 of their Form(s) W-2.

If you were self-employed or a partner, include the amount you would enter on Schedule SE, line 4, only if it is less than \$400.

If you didn't have any of this type of income in 2007, enter -0- on this line.

Line 14a. Enter the total of any payments you received in 2007 for veterans disability compensation, disability pension and survivor benefits, social security benefits, and the social security equivalent portion of the tier 1 railroad retirement benefits. Refer to Box 5 of Form SSA-1099 or Box 5 of Form RRB-1099 for the amount.

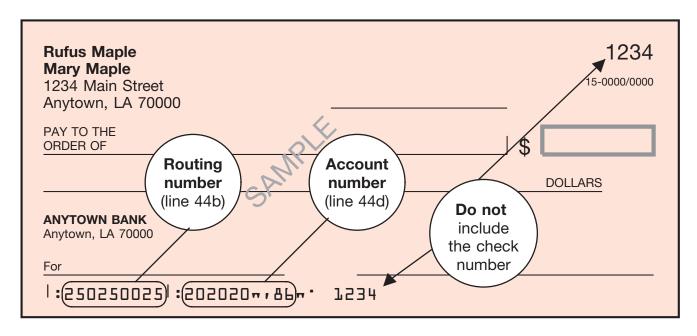

If you do not know the exact amount of these benefits, you may estimate the amount received by multiplying your monthly benefit by the number of months during 2007 you received the benefit. If the total is less than \$3,000, add any deductions for withheld taxes or Medicare premiums to the benefits received and then enter that amount on line 14a.

Line 40b. Enter your nontaxable combat pay. This amount is reported to you in box 12 of your Form(s) W-2 with code Q.

Refund

Lines 44b through 44d. If you want your economic stimulus payment directly deposited to your checking or savings account, complete lines 44b through 44d. You can find the information on one of your checks, as seen on the sample check below. Otherwise, we will send you a check.

Sample Check—Lines 44b Through 44d

Line 44b. The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check above, the routing number is 250250025.

Line 44c. Check the appropriate box for the type of account. Do not check more than one box.

Line 44d. The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check above, the account number is 20202086. Do not include the check number.

Sign Here

Form 1040A is not considered a valid return unless you sign it. If you are filing a joint return, your spouse must also sign. Also, be sure to date your return. Enter your daytime phone number in the space provided.

Guardians. If you are signing the return as a guardian (other than a parent or spouse), notify the IRS using Form 56, Notice Concerning Fiduciary Relationship.

See page 4 for mailing information.
